Racket of buying a child for 3 to 5 lakhs and selling it for 15 lakhs

Ahmedabad, A shocking detail has come to light in the investigation of the child trafficking racket busted in Ahmedabad 10 days ago. This inter-state child trafficking racket was being run systematically by the accused. Different people were doing the work of finding childless couples who wanted a child, finding couples who wanted to sell a child, fixing the price of buying and selling the child, preparing a bogus birth certificate of the child in collaboration with the nursing home. They all worked on commission. It has also come to light that in this racket, non-refundable amount was being collected in advance from the couple who wanted to buy the child. How did the child trafficking racket work? The investigation of the Ahmedabad Crime Branch has revealed shocking facts. In the racket, first of all, a big broker takes an advance amount from a childless couple who want to have a child. After receiving the advance, a team of brokers starts searching for the child. The child is bought from a poor or forced couple who are ready to sell the child. After finding the child, he is groomed, dressed in good clothes and his photos are taken.
